

# By the Sea

© Andrea Robertson August 2014

Verse 1

Come with me  
by the sea  
won't you come with me  
Feel the sand  
under feet  
Waves are rolling in

Verse 2

Feel the warmth  
of the sun  
spray falls on your skin  
Up above  
birds do fly  
A gentle breeze is blowing, ooo-ooo

Chorus

*Come with me*  
*Oh, come with me*  
*Let's go down by the sea*

Bridge

By the sea side  
Oh, what a good life  
To live by the sea
