

NO OTHER WAY

© Andrea Robertson 18/5/13

When you can't change the direction of the wind adjust your sails
When you can't stop the rain falling upon your skin let it soak in
And when you can't see the sunshine, because of the clouds
And the sky is all grey
Don't you, don't you be disheartened,
don't you give up
don't ever give in

When you can't stop the waves rolling, just let them roll in, let them roll in.
When you can't stop time from moving, embrace the change,
embrace the change.
And when you have mountains before you, that you have to climb,
'cause there's no other way.
Don't you, don't you be disheartened,
don't you give up
don't ever give in

ooooooooo-ooo x4

When there's no other way
no other way
Adjust your sails
When there's no other way

But don't you, don't you be disheartened,
don't you give up
don't ever give in
