## (Andrea to sing)

As I look to the skies and see the sun rise  
 I know it's a brand new day  
 So no matter what happened yesterday  
 today I get to start over again

## (Choir)

As we look to the skies and see the sun rise  
 We know it's a brand new day  
 So no matter what happened yesterday  
 today we get to start over again,  
 Over, start over, oooo....start over again  
 Over, start over, oooo....start over again

## (Andrea to sing - Choir singing ooo's)

And as the day ends and the night falls  
 and the sun no longer shines  
 I know tomorrow will be a new day  
 And I get to start over again

*Choir* Over, start over, oooo....start over again  
 Over, start over, oooo....start over again

*2x2*

## (Together)

Yes tomorrow will be a new day  
 And we get to start over again
