

# SUNSHINE

Old Man River

We've been waiting for so long for the sunshine, for the sunshine  
We've been waiting for so long for the sunshine to get back

Tell me whe...re is the sunshine

We've been living for so long without sunshine, without sunshine  
We've been living for so long without sunshine in our lives

Tell me whe...re is the sunshine,  
Whe...re has the sunshine gone.

(break)

We've been waiting for so long for the sunshine, for the sunshine  
We've been waiting for so long for the sunshine to get back

Tell me whe...re is the sunshine,  
(whe...re is the sunshine)  
whe...re has the sunshine gone  
(whe...re has the sunshine gone)

Still I walk but I'll leave some faith in the sunshine  
Still I'm broke but I'll leave some faith in the sunshine

Tell me whe...re is the sunshine  
(Still I walk but I'll leave some faith in the sunshine)  
Whe...re is the sunshine  
(Still I'm broke but I'll leave some faith in the sunshine)

Where is the sunshine  
Where has the sunshine gone  
Where is the sunshine  
Where has the sunshine gone
